

## **BI-K Nepal Ambassador Commitment**

I understand that if I am invited to be a BI-K Ambassador, I will be asked to commit time and energy to the educational, service, and preparatory meetings in the months leading up to departure. These include monthly training and team-building meetings, volunteering in the Seattle area, and occasional other service and organizational events. I promise that if I am selected to be a BI-K Ambassador, I will strive throughout the year to represent the highest standards of personal behavior and service. I also commit to raising \$4,000 to pay for the trip.

By signing below, if invited to be an Ambassador, I am committing myself to attend all meetings and events and working my hardest to ensure the success of BI-K Nepal.

## **BI-K Nepal Parent/Guardian Commitment**

I have read and understood the commitments my child is expected to make if they are invited to be a BI-K Nepal Ambassador. I understand that if he or she is selected as an Ambassador, I will be expected to help him or her live up to those commitments, particularly concerning attendance in all related events, trip preparation and support in raising the necessary \$4,000. As parent(s) or guardian(s), I/we will contribute the first \$500 as a nonrefundable deposit towards the \$4000 trip cost. Should my child raise less than \$4,000, we will work together to make up the difference. I am committed to attending parent information meetings and assisting with a number of BI-K Nepal related activities.
